These are samples of our system booths for price comparison.

We would be pleased to submit a detailed offer for your booth.

All prices are to be understood incl. VAT and delivery / collection.

For delivery and collection we charge 10 % of the rent value.

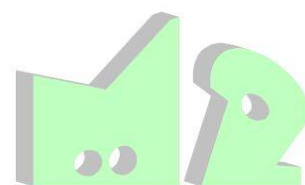

In addition to the building of your booth, we offer additional service which will be charged with 42,50€ / hour (technician).

It is not allowed to nail or drill the material. Gluing with special adhesive foils is possible.

Remaining glue has to be removed without trace after your exhibition/event.

Damaged material will be charged at replacement price.

After receipt of your order you will get our invoice which is to be understood as order confirmation.
